

Welcome the the SC23 HPC Crash Course

You will use *Frontier* today

- Use your Photo ID to sign out an RSA Access Token
 - Your Frontier user ID and Project are written on the envelope
 - Return the token in its envelope at the end of the day

You Can use *Anvil* after the workshop to complete the challenges (or if you can't get Access to Frontier)

- Get access to Anvil: <https://bit.ly/AnvilAccess>
 - We must added you to the allocation
